Total number of vehicles exceeding 50 mph	7 (up 600%)	<1%	All violations were recorded during the day, between 11:00 AM and 5:00 PM. The worst period was between 15 and 19 April (Easter weekend). NOTE: Just 1 violation was recorded in the first report.

Trends and observations

- The number of vehicles entering Darsham from the A12 via The Street has increased slightly compared with the first report (3%).
- An increased share of vehicles are adhering to the speed limit compared with the first report (75%, up from 73%).
- Although the share of vehicles breaking the speed limit has decreased (from 27% to 25%), the number of serious violations has increased significantly.
