

DARSHAM HORTICULTURAL SOCIETY

Information for domestic entries.

Display on white China or paper plates, cover with cling film or a plastic bag.

Sweet scones should be cut with a fluted cutter and savoury with a plain one.

Rusks should not be cut in half but broken with two forks back-to-back to give an uneven surface.

If using paper cases for baking, remove before showing, except for cup-cakes where the cases may be part of the decoration.

Chutneys must have vinegar proof lid (vinegar proof lid has a plastic coating not metal) not cellophane.

Other jars may have either cellophane covers or a lid. Both jars and lids should be clean and free of dates or commercial lettering. If there are any commercial markings points will be deducted.

Cakes and sponges should not show marks from cooling racks on the surface.

Quiches and tarts must be removed from tin or dish and shown on a white plate.

Show liqueur, wine or cordial in a clean glass bottle filled to 1.27 – 2.54cms (approx. 1/2” - 1”) from the top.

Recipes given are now compulsory. Entries that obviously haven't followed the recipe will not be judged.

The judges will cut large items in half in order to judge appearance and consistency.

Where multiple items are listed on the schedule, the judges may check more than one for consistency.

THE JUDGES DECISION IS FINAL.
